

Schnellanleitung

MPPT WireBox-S 100-15

www.victronenergy.com

Schritt 1: Montieren Sie den "Stahlsocket" am MPPT, bevor Sie ihn an der Wand abringen

Schritt 2: Nachdem Sie den MPPT an der Wand befestigt haben, sichern Sie die Kabel (max. Ø5 mm)

Schritt 3: Bringen Sie die Abdeckung der WireBox an und befestigen Sie sie mit zwei Schrauben.

Quick Installation Guide

MPPT WireBox-S 100-15

www.victronenergy.com

STEP 1: Mount the 'steel base' to the MPPT before installation to the wall.

STEP 2: After mounting the MPPT to the wall, secure the cables (max Ø5 mm).

STEP 3: Place the WireBox cover and fasten with two screws.
